Dear Stewart:

I have your pub date letter and the tear sheet on DOME BOOK II from the LAST WHOLE EARTH CATALOGUE. DOME BOOK II is still in print and will be. I'm sure you already know that Shelter Publications' new address is P.O. Box 279, Bolinas, California, 94924.

I'm also sure you know Lloyd Kahn's new book SHELTER will be coming out early next year. Since I haven't seen it yet, you should ask Lloyd about it--as you probably already have.

I keep hearing rumors that you will be coming to see me about WHOLE EARTH EPILOGUE after the first of the year. I look forward.

Best,

Jim
